

COMMONWEALTH OF KENTUCKY  
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

THE APPLICATION OF FARMDALE WATER	)	
DISTRICT FOR THE ADJUSTMENT OF	)	CASE NO. 92-308
CERTAIN NON-RECURRING CHARGES	)	

O R D E R

On July 22, 1992, Farmdale Water District ("Farmdale") filed an application with the Commission for authority to increase its Connection Charges for 5/8 x 3/4 inch meters from \$450 to \$590 and for 1 inch meters from \$550 to \$675.

On August 6, 1992, the Commission rejected the application pursuant to 807 KAR 5:001, Section 2, because of certain filing deficiencies. On August 13, 1992, Farmdale resubmitted the application with the deficiencies cured.

Farmdale has provided evidence of the individual expenses incurred to provide the services associated with the proposed charges. After reviewing the evidence and being sufficiently advised, the Commission finds that the proposed charges are equal to the expenses incurred to provide the associated services. It further finds that the proposed charges as set forth in the Appendix to this Order are fair, just and reasonable and should be approved.

IT IS THEREFORE ORDERED that:

1. The charges in the Appendix to this Order, which is attached hereto and incorporated herein, are approved for services

rendered by Farmdale Water District on and after the date of this Order.

2. Within 30 days from the date of this Order, Farmdale shall file its revised tariff sheets setting out the charges approved herein.

Done at Frankfort, Kentucky, this 27th day of August, 1992.
